

Name	Legend	Name	Legend
circ jet		water manifold	
massage jet		waterfall	
1.5 "black water outlet		suction	
2"swimming jet		drainage valve	
2.5" river jet		one-way valve	
oval swimming jet		Water pipes	
7" multi-port massage jet		side drainer	
air control		pump air release	
waterfall valve		Ozone generator	
water divert		UV	
5 "14 holes		Ozone UV all-in-one machine	
pillow		heat pump ready	
filter		Blower	
Electric controller		circ pump	
two speed pump		massage pump	

Water manifold B connect to jets in the seat B1, B2.

Water manifold C connect to jets in the seat C1, C2.

Water manifold G connect to jets in the seat G1, G2.

Air control H control jets in the seat B1, B2.

Air control K control jets in the seat C1, C2.

Air control D control 2.5" river jet D1.

Air control E control 2.5" river jet E1 and jets in the seat G1, G2.

Air control F control 2.5" river jet F1.
