Cold Plunge Tub GUARANTEE

Performance Standards

We may ask you to provide an original bill of sale to determine if the cold plunge tub qualifies for guarantee coverage. Our Northern Leisure Products Guarantee starts from the original date of delivery. A travel charge may be due for installations in remote areas. The cold plunge tub owner is responsible for providing unencumbered access to the equipment for service, removal, and reinstallation of the cold plunge tub for required repairs.

If Northern Leisure Products determines that the repair of the cold plunge tub is not feasible, it reserves the right to provide a replacement cold plunge tub equal in value to the original purchased price. In this case, the owner is responsible for certain expenses, including removal, shipping and reinstallation of the existing or replacement cold plunge tub.

Upon replacing a cold plunge tub, the guarantee will cover the remaining portion of the existing guarantee from the original installation date. The guarantee does not cover fading from natural ageing and damage from excessive chemical use on all cold plunge tub finishes and fixtures. Any Northern Leisure Cold Plunge Tub installed for commercial applications do not qualify for guarantee coverage. The Northern Leisure Products guarantee cannot anticipate, nor does it cover, damage or failure resulting from product abuse, accidents, power disturbances, vandalism, acts of God or nature, and other causes that are out of our control.

All Northern Leisure Cold Plunge Tubs must be used, installed and maintained as directed by the supplied Owner's Manual to receive guarantee coverage. The Northern Leisure Products guarantee is valid only to the original purchaser. After sale service is the responsibility of the dealer from whom you purchased your Northern Leisure Cold Plunge Tub. All guarantees are registered online by you or your Northern Leisure Products dealer.

Disclaimers

Northern Leisure Products and its representatives shall not be liable for any injury, loss, cost or other damage, whether incidental or consequential, arising out of any defect covered by this guarantee, including, without limitation, loss of use of the cold plunge tub and cost for removal of the defective product, even if Northern Leisure Products has been advised of the possibility of such damage. The liability of Northern Leisure Products under this guarantee, if any, shall not exceed the original amount paid for the defective product. Coverage under this Guarantee shall commence as of the date of installation. If not specified, the original date of purchase and the duration of such coverage shall not extend for any reason whatsoever beyond the stated periods. These disclaimers shall be equally applicable to any service provided by Northern Leisure Products or its designated representatives.

Limitations

This Limited Guarantee takes the place of all other guarantees, express or implied, in fact, or at law, including implied warranties of merchantability and fitness for a particular purpose. All Guarantee service must be performed by Northern Cold Plunge Tubs or its designated representative using authorized parts. No agent, dealer, distributor, service company or other party is authorized to change, modify or extend the terms of this guarantee in any manner whatsoever.

Legal Rights

This guarantee gives you specific legal rights. You may also have other rights, which vary from province to province, state to state and country to country. Some provinces and states do not allow limitations on how long an implied guarantee lasts, so this limitation may not apply to you.
